Brad Weeks has been using his own generator while working for the Village of Joy. Village President Mark Heater would like to purchase a generator to be used instead of Brad using his own. Don Wilken has a portable trash pump that may be able to be used.

Brad is making a list of equipment that does not work and should be sold or scrapped out.

Brad Weeks found a broken meter in a pit in the trailer park. The meter has been replaced. The water meters are pretty old. The Village of Joy needs more new meters.

Don Wilken made the motion to adjourn the meeting at 5:50 p.m. Rory Conway 2nd the motion. The following vote was taken: Elaine Anderson-yes, Paul Hampton-yes, Larry Hunt-yes, Don Wilken-yes, Noah Livermore-yes, Rory Conway-yes. The motion was passed with a unanimous "Yes" vote.

Respectfully Submitted,

Gwen Pritchett
